

MICKLEHAM

## DON'T MISS THE WOODS

**EVOLVE** Development is set to launch The Woods estate, which is part of its Mickleham development, with an on-site sales event on Saturday 4 August.

The Woods has been carefully designed to make the most of the natural environment and will provide access to woodland reserves of ancient river redgums, nature trails, walking tracks and informal picnic areas.

Large scale parkland spaces, bike paths and a children's playground are planned to be incorporated into an environmentally sensitive design with a view to protecting and preserving the beauty of The Woods' natural assets.

The Woods is close to Woolworths, Mickleham Primary School and Mickleham town centre, and is opposite the future Merrifield Town Centre.

New home sites start at \$95,000 while a range of house and land packages created especially for The Woods are also available.

Mickleham is situated only 32 kilometres north of the CBD, and is set to become Melbourne's newest suburb with the State Government opening up the area as part of the recent expansion of the Urban Growth Boundary.

The launch of The Woods coincides with the I Heart Mickleham campaign, which aims to promote Mickleham and to keep locals informed about the changes happening in the area.

There's also the chance to win a \$1000 travel voucher. Visit [www.facebook.com/iheartmickleham](http://www.facebook.com/iheartmickleham) for more information on the competition.
